

Recyco

Range Chart

RECYCO is a premium white, 100% recycled paper, that combines the qualities of high-end production with the added value of eco-sustainability. It is the new generation of creative papers with a full green concept, featuring an off-white nuance and a natural look and feel.

It is particularly versatile and therefore lends itself to the most diverse applications, ranging from premium publishing to luxury packaging. RECYCO is suitable for demanding print projects and intricate finishing techniques.
